

# Butler County Babe Ruth League LeagueTime Help

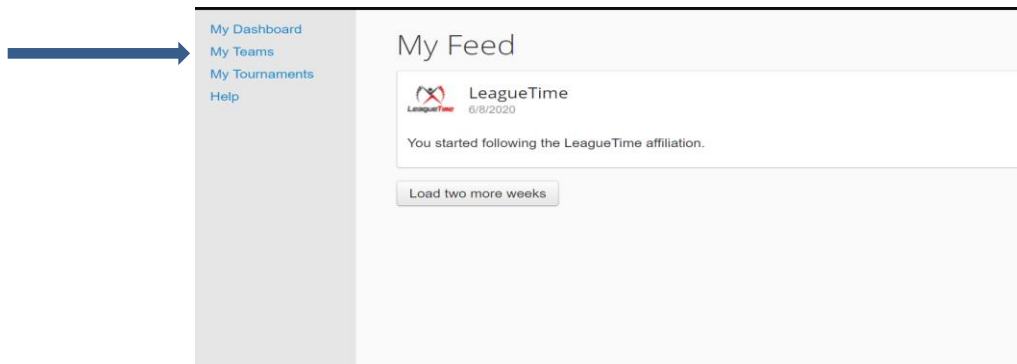

1. You should have received an email invite if you are a manager. Click on the link in the email in order to begin. (in years past this site has always worked best on Chrome. However, it is working on other browsers now.)

2. If you are a returning user, you should be able to login using your existing email and password combination.

3. Once your account has been created you will be taken to the login screen. If you run into problems during account creation try using a different browser.
4. Once you login you will be taken to **My Dashboard**. From there, click on **My Teams** to access your team.

## LeagueTime Help

- Once you have selected **My Teams** you should see a list of any teams you are affiliated with. Just click on the appropriate team and you will be taken to your team. Once here, you will be able to edit rosters, schedules, scores, etc.

The screenshot shows the LeagueTime interface for a team. At the top, there is a navigation bar with 'My Tournaments' and 'Help' on the left, and a 'Full URL' field with 'http://www.leaguetime.com/Team/Details/81726' and a 'Go to the Team Page' button. Below this is a secondary navigation bar with 'Team Home', 'Tournaments', 'Team Manager', 'Content Manager', and 'Settings'. The main content area is divided into two sections: 'Next 5 Games' and 'Roster'. The 'Next 5 Games' section has a table with columns for Date, Opponent, and Location, showing two games against Fairfield Indians at Waterworks Park. The 'Roster' section has a table with columns for #, Player, AVG, Hits, RBI, and Pitch Count, but it is currently empty with the message 'There are no items to display'. On the right side, there are two informational boxes: 'Team Information' and 'Player Information', both with instructions on how to view details for specific rows.

Date	Opponent	Location
6/22/2020	at Fairfield Indians	Waterworks Park
7/11/2020	at Fairfield Indians	Waterworks Park

#	Player	AVG	Hits	RBI	Pitch Count
There are no items to display					

- Remember minimum requirements are to post your schedule, and complete roster with name and jersey number.
- When entering scores all you have to do is click on **edit box score** to the right of the game on the schedule. There you can enter the score and pitch counts. Remember you are required to enter the score and pitch counts (innings pitched for softball) by midnight of the game day, although you are given a 24-hour grace period. Failure to enter in information could result in a forfeit.

For assistance please reach out to your league representative first.
